

## GEARE Global Design Team Project Summary

A requirement of the GEARE program is to complete a Global Design Team experience.

Global Design Team experience is described as a design project that either:

- (1) Examines a problem that relates to global challenges, or
- (2) Has international students or host-country nationals on the team

---

Name \_\_\_\_\_

Discipline \_\_\_\_\_

Cohort \_\_\_\_\_

My global design experience (check one):

\_\_\_\_\_ Examines a problem that relates to global challenges, or

\_\_\_\_\_ Has international students or host-country nationals on the team
